

# YOUR TEAM DESERVES MORE THAN ANOTHER GENERIC KEYNOTE

***Entertainment, Engagement, Alignment, and Action.***

I help teams break through fatigue, reconnect with their mission, and walk away transformed.

## I OFFER:

- ◆ **Magic** that opens minds.
- ◆ **Psychology** that drives behavior.
- ◆ **Team-building** that actually builds teams.

**Bespoke:** I don't do canned speeches. I **embed your culture, your goals, and your key messages** into a custom experience that people will talk about long after the event ends.

- ★ **Stronger teams**
- ★ **Better conversations**
- ★ **Lasting impact**

Ready to transform your event? Let's talk.

## YOUR TEAM

**The Who, What, How, Where, Why, and When**

### WHO:

I'm Paul Draper—anthropologist, mentalist, and keynote speaker. I've lectured at **Cambridge, Yale, and the United Nations**, performed in **Las Vegas**, and been featured on **TNT, A&E, and HBO**. More importantly...

### WHAT:

I blend **interactive team-building exercises, psychology-based leadership strategies, and award-winning magic** to create experiences that Fortune 500 companies trust to boost **collaboration, communication, and performance**.

### HOW:

Unlike standard keynotes or generic team-building activities, my sessions are **fully customized** to align with your company's goals. I work with you in advance to define what success looks like and tailor the experience to your unique objectives.

## WHERE:

Ideally, I'll arrive early to observe and engage with your team, **quickly assess your organization's culture, identify its core values, and integrate key leadership messages that inspire action.** These unforgettable experiences deliver the behaviors and mindsets you're striving to reinforce at your event.

## WHY:

Meeting fatigue is real. **I break through it.**

Through **mind-blowing mentalism, interactive group activities, and research-backed insights**, your team will experience more than just entertainment. They'll walk away with:

- ◆ **A deeper connection** to your company's mission and vision
- ◆ **Stronger teamwork** and alignment with core values
- ◆ **A revitalized mindset** to combat burnout and fatigue
- ◆ **Actionable strategies** that reinforce leadership principles and drive results
- ◆ **A shared, high-energy experience** that fuels performance long after the event

These **thought-provoking, interactive moments** with colleagues leave team members **connected** and **buzzing with new energy** long after the event **ends**.

## WHEN:

For maximum impact, I recommend a **90–120-minute session** that seamlessly blends **interactive magic, high-energy engagement, and leadership insights** tailored to your company's objectives.

**Let's craft an experience that entertains and transforms.**

## ADDITIONAL KEYNOTE & WORKSHOP TOPICS:

- ◆ Mindfulness & Self-Care
- ◆ Culture: Mission & Vision Alignment
- ◆ Leadership & Change Management
- ◆ Cyber Security: Social Engineering
